

BOUQUET ON A BUDGET

Local chain grocery stores are a great place to source flowers, use this sheet to follow along with Jalisca as she creates a bridal bouquet sourced from a grocery store and write down key points to remember when you head over to source your own product.

What is the purpose of mass flowers?

What are some of their key characteristics?

What are line flowers? Why are they important?

What are filler flowers?

Why is the focal flower important?

How do you showcase it?
